

Statement of Faith

- The Bill Rice Ranch is a non-profit organization that believes:
 1. In the verbal inspiration of the Scriptures and their absolute reliability, without error, in the original manuscripts.
 2. In the virgin birth, atoning death, bodily resurrection and deity of Jesus Christ.
 3. That man is a fallen creature sinful by nature and choice, and can only become a child of God by regeneration by a supernatural work of the Holy Spirit.
 4. That salvation is by penitent faith in Christ as our substitute on the merits of His atoning death and shed blood.
 5. In Christ's premillennial second coming.
 6. In the eternal blessedness for the saved, and in the eternal punishment in Hell for the lost.
 7. In the need for personal enduement of power by the Holy Spirit who already lives in the body of each Christian.
 8. In the duty of each Christian to live a holy life, to make soul winning the main end of all Christian work; that God's Great Commission never changes, as the principal obligation of churches and Christians, and that this includes mass evangelism as well as personal soul winning through other means and agencies.
 9. That the only legitimate marriage is the union of one man and one woman, and that any behaviors or practices contrary to this biblical standard (homosexuality, lesbianism, bisexuality, incest, bestiality, fornication, adultery, pornography, etc.) are forbidden by God.
